

Product Specification Sheet

Targus Zip-Thru™ 15.6" Mobile Elite Roller

Part #: TBR006US

Product Description:

The Targus Zip-Thru Mobile Elite Roller is designed to help you clear airport security without removing your laptop from your case. The results are:

- Quicker airport processing
- Reduced risk of laptop loss, theft, or damage
- Greater privacy and security

Constructed to fit 15.6" widescreen laptops, the workstation includes pen loops, a business card holder and accessory pockets. Featuring a large separate compartment for apparel storage, this roller provides plenty of space for overnight trips or extra office supplies. The ergonomic telescoping handle retracts into a zippered compartment when not in use and the case includes a dual carry handle for added convenience. The Zip-Thru Mobile Elite Roller is a functional transit case designed for professionals on the go.

Product Features and Specifications:

- **Protection** - Designed to fit notebooks with up to 15.6" screens
- **Checkpoint-Friendly** - Patent-pending split design separates laptop from accessories, to allow clear x-ray scanning
- **Organization** - Workstation includes pen loops, business card holder, zippered pocket, cell phone pocket and accessory pockets; Includes large storage space for other office essentials or clothing for an overnight stay
- **Material** – Constructed of durable nylon and polyester
